RE: Balrothery Community Council Issues 2008

I refer to my ongoing representation in regards to the various issues raised in a recent meeting between yourselves and FCC.

Below is a reply from the council specifically in relation to the pedestrian crossing to the Cricket Club.

I trust this clarifies matters and I will continue to pass on information I receive from the council as and when I receive it.

Michael

Subject Representation for Mr Niall Keady Balrothery Community Council, "report for meeting with County Council May 2008"

Dear Deputy Kennedy,

I refer to your email below sent to this office on 13th August, 2008 on behalf of Mr Niall Keady regarding the issues below.

These issues were referred to the Traffic Engineer for examination and he has reported as follows:

"There is no budget provision in the 2008 Programme of Works for a pedestrian crossing on the R132 at the Cricket Club. A design is being prepared at present for installation this year. The design will include a reduction in the speed limit and measures to control vehicle speeds."

If you have any further queries please do not hesitate to contact me.

Kind Regards

p.p. Niamh Gaffney
